ON FIRE MISSION is an inclusive network, rooted in the Church of England, and open to all, which is dedicated to promoting Charismatic renewal blended with the riches of Catholic Spirituality. The OFM network seeks to be a Spirit-filled, sacramental community which resources churches, leaders and individuals; equipping them to become agents of renewal in their local context. At the heart of our work is an annual conference which provides an opportunity to experience personal renewal through lively sacramental worship, inspiring teaching, practical workshops, supportive prayer ministry and retreat time. We affirm the ordination of women to all orders of ministry and celebrate the diversity and ministry of all God's people. We welcome everyone to be renewed and refreshed as we share in the transforming love of God: Father, Son and Holy Spirit.
